Dear Parents and Band Members,

This year promises to be another exciting year for us. Last year, the band had a very successful marching and concert season. Our goal this year is to be the best we can. We have great students, parents, boosters, and faculty. Every year are tough times and great times, but the director and your fellow band members are here to encourage you - "*DON'T QUIT*". Band and making music is the most rewarding endeavor you can participate in. The essential ingredient to creating a successful band is

COMMUNICATION: Director- to and from Student; Student- to and from Parent; and Director- to and from Parent. This handbook is an effort to help us all communicate. The band website is the band's greatest tool for communication. The site contains all the forms, documents, calendars, and music needed to aid in your success at McGill-Toolen CHS. The site also contains up-to-the minute departure and arrival times and will be updated often. The address is:

www.mctband.org

We need each other to maintain the great tradition that our band enjoys. In order for us to have a successful year, each student must strive to perform his or her best all of the time. The band family is not only for teaching your child to play an instrument, but to help him or her learn to work together in harmony with their peers. For your child, band will foster good attitudes and teach skills necessary for collaborative work that will be of value throughout their lifetime. Help the director by insisting that each student does their best and to participate in the full year of band.

The director is usually in the band room around 7:15am until 5:30pm Monday through Friday. If you need to contact me, please call me at any time. The band number is 251-445-2919 or my email is noahs@mcgill-toolen.org. If we are rehearsing, you can leave a message and I will return your call as soon as possible.

Sincerely,

Sean C. Noah
Director of Bands

Welcome all new and returning Yellow Jacket Band Booster Members. Summertime is almost here, and we all know that means MARCHING season is just around the corner.

Each parent whose child is a member of the McGill-Toolen Yellow Jacket Marching Band is a member of the Yellow Jacket Band Boosters. The purpose of the Boosters is to support the activities of the McGill-Toolen Catholic High School Band. The boosters include members who serve on the board, voted by the members, but the board alone cannot be successful without the help of the band parents.

The Band Director is Mr. Sean Noah. We are very fortunate to have him and you will find him to be one of the most energetic and dedicated teachers you will encounter at McGill-Toolen. He puts in countless hours beyond the school day to ensure that all students have the best band experience possible. His dedication to this program can be seen through the bands' various performances throughout the school year.

There are multiple volunteer opportunities for our parents from sizing uniforms, chaperoning games, fundraising, making desserts, selling poinsettias, decorating for the Christmas Festival/Auction to organizing the band banquet in the spring. It takes each band parent to help the band program thrive and succeed. Parent participation has been excellent in the past and I anticipate the same excitement, energy, and dedication for this year. After all, what better memories to build with your child than getting involved with what they love most!

Our first Band Boosters' meeting is scheduled for **August 8, 2020 at 6:30pm** in the band room. At this meeting, you will have the opportunity to sign up to volunteer your time to the band program and meet some great new friends. This first meeting is very informative for the upcoming marching season and especially helpful to new band parents.

The McGill-Toolen Yellow Jacket Band website is a great source of information, as well as the monthly band parent meetings. Your Band Booster Board is always willing to help answer questions, too:

2nd VP: Ricarda Manning manning_r@bellsouth.net

Go Jackets!

Sincerely,

Michele Dumas

NO PASS NO PLAY - *Eligibility for all Bands and Color Guard:*

As a minimal academic requirement for participating in the McT Band program, any student who has 2 or more failing grades on a quarter grade report is ineligible to participate in any band activities program (outside of school hours) until the next grade reporting period. An "I" grade will be considered a failing grade until the "I" grade is removed.

Marching Band – One of four performing groups at McGill-Toolen Catholic High School. This band is open to all 9th through 12th grade band students and color guard members. The marching band is a co-curricular group, meaning that participation is required from any student in the band program. Rehearsals begin in mid-July and continue Tuesdays and Thursdays after school. The marching band performs at all football games — both home, away, and all playoff games — participates in Saturday competitions each fall, and marches in a Mardi Gras Parade and the St. Patrick's Day Parade.

Symphonic Band – This band is the other half of the co-curricular participation and is open to all 9th through 12th grade students enrolled in the band program. The Symphonic Band performs concerts during the school year in December, March, and May. This group will participate in ABA/MENC Music Performance Assessment. This class is graded in conjunction with marching band and students earn credit toward graduation.

Jazz Ensemble – This class is only open to 9th through 12th grade band students who are enrolled in band class and membership in this group is by audition. The groups perform several times during the school year, typically performing concerts in December, March, and May. This class meets every Tuesday beginning late October.

Percussion Ensemble – This class is only open to select 9th through 12th grade percussion or band students. The group performs with the Marching Band, Symphonic Band, and Percussion Ensemble Concerts. This class is graded in conjunction with marching band and students earn credit toward graduation.

Color Guard/Winter Guard – Membership in this group is by audition only. All members participate in all auxiliary and band functions such as performances, practices, competitions, parades, and all special events. Clinic and Auditions will be held in the spring semester for this group. This class is graded in conjunction with marching band and students earn credit toward graduation. Winter Guard is a part on continuation of the color guard class. **There are additional fees associated with this group. The group is an attendance mandatory group.** Rehearsals are after school. The group will compete in the local guard circuit during Feb - end of March.

Spring Band Banquet - Each spring, all participating members of all bands at McGill-Toolen meet for an annual Band Banquet. At this event, all members will receive recognition for their achievements over the past year. This is a catered event held in mid to late May. A nominal charge may be required to pay for the meal.

The Band Room

The band room opens around 7:15am. It is the responsibility of every band member to keep the band room and section areas clean, neat, and tidy. *One section will be chosen every week to clean the band room and empty all trash.* The band room has NO “lost and found”. If you leave something outside of your cubby or loose in the band room, **it will be thrown away**. If things are important to you, you will always remember where to put them.

McGill-Toolen Band Department Grading Policy

Grading students in the band setting is made up of two major categories. The first category is in-class participation and attendance; the second category is tests and performance. There will be a final given at the end of each semester.

The students in the band program will rehearse or be involved in other musical activity daily. Rehearsal is not simply practice, but we will make strides each rehearsal to develop and grow as musicians and a band. The band will only be as good as you want it to be.

This statement is to inform you, the student and parent, so that you understand the basis for your grade in band.

Grading Scale

90-100.....A	70-79.....C
80-89.....B	60-69.....D

Performance Attire

All Bands - At all public performances of any band, the McGill-Toolen Band uniform or director approved alternative uniform will be worn. Fitting of the uniforms will take place during rehearsals in August. The band uniform will be issued before football season and returned at the end of the year. It is the responsibility of the student and parent to keep the uniform in an acceptable condition – any part of the uniform not properly maintained will be replaced at the expense of the student/parent. Always have the proper marching shoes, socks, and gloves.

Band Uniform Rules:

1. Wear black marching shoes, black socks, and white gloves. The band t-shirt must be worn underneath the uniform jacket at every performance.
2. Each student will be assigned one full uniform. Hang the uniform after each performance. The pants should be hung neatly to ensure a pressed crease for the next performance.
3. Shoes **MUST** be polished before performances.
4. Jewelry may not be worn. This includes earrings, watches, rings (except senior rings), etc.
5. Girls' hair cannot be on or below the collar. **NO EXCEPTIONS.** Long hair will be tucked into the shacko (hat).
6. No running while wearing the uniform – *unless the director tells you to do otherwise.*
7. **NO GUM - EVER.**
8. **NO excessive make-up.**
9. If you ruin a part or all of the uniform, you are responsible for the replacement.

*NOTE: There will be a group inspection before every performance, so be sure you have all the necessary parts of the uniform, instrument, make-up, and equipment. Any student who is **late** and/or not meeting the requirements for inspection will not march for that game. You will dress for the game and stand at attention on the field next to the pit, facing the band's performance, during half time. You will also receive a 0 (Zero) for the test performance grade and weekly grade.

Attendance Policy

All rehearsals, performances, and Band Camp are mandatory. All band members and color guard members will be granted two excused absences from band practices - excluding band camp, games, performances, and play off games during the football season. Any absence beyond the excused absences will count against your grade and participation and cannot be made up. **No college/university visits/vacations/ family trips/ vacations/ trips/play practice/musical practice/club sports/any outside McT events - or anything the director perceives as an unnecessary conflict will not be signed off on that directly conflicts with a band performance, rehearsal, game, parade, marching competition, and/or state band competition.** If you accumulate three or more unexcused absence a parent conference will be required for further participation and/or removal from the band. There are no rehearsals on Monday and every other Wednesday. These days are available to schedule doctor's appointments or attend outside school events, private lessons, etc. The only exception to this attendance policy is a death in the immediate family, extreme personal illness, or hospitalization (a doctor's note or proof must be presented to the director upon your return — no parent notes). If you miss a band performance for any reason other than the ones stated above, you will receive a zero for your participation grade and a zero for the performance grade. These grades cannot be made up. The McT Band is a serious commitment — but the rewards are great.

REHEARSAL CONFLICTS

The McGill-Toolen Band and Director understand the importance of a well-rounded education. Participation in one or multiple extra curricular activities can be a part of that education. Band rehearsals (not performances) sometimes conflict with other school approved activities (not sports clubs, plays, musicals), tutoring, make-up tests, Talent Show Rehearsals, and College visits. When these conflicts occur with a band rehearsal (not games, performances, parades, or the two weeks leading up to state band competition or marching competition) — it is the responsibility of the student to make the band director aware **TWO WEEKS** in advance. The director will then meet with that coach, sponsor, tutor, or teacher to work out an amicable solution. The band director will inform the student of the solution – NOT THE OTHER WAY AROUND.

If you need to make up a test because of an absence or band performance, you must make Mr. Noah aware before rehearsal begins.

YOU ARE RESPONSIBLE FOR BEING ON TIME FOR ALL REHEARSALS AND PERFORMANCES.

YOU WILL BE HELD RESPONSIBLE FOR BEING ON TIME FOR ALL REHEARSALS AND PERFORMANCES.

WORK IS NOT AN EXCUSE. FAMILY VACATION, UNAPPROVED EXTRACURRICULAR ACTIVITY, OR COLLEGE/UNIVERSITY VISITS ARE NOT EXCUSES.
NO EXCEPTIONS.

Band Bus and Away Trips

ALL Students ride the bus to all away band events. A Student may check off the bus at the conclusion of a performance as long as the proper form is turned into the director by 8AM the day of the event. Special circumstances will allow a student to meet the band at an event. Those will be handled on a case by case basis one week prior to an event.
